School Goals

WE are a STEM-focused school. We are fortunate to have strong partnerships with higher education, small business, and non-profit organizations to expand opportunities for students to make connections to learning beyond the classroom. Our vision is to cultivate a community of empowered students who actively engage in the learning process so they will experience post high school success. Measures for this goal include proficiency on state tests of English Language Arts, mathematics, and science and missing fewer than 10 days of school.

State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

Safe & Welcoming Environment

WE are committed to providing all of our students and families with safe, caring and inclusive learning environments, free from bullying, intimidation, and harassment. We will not tolerate any form of discrimination and we will take swift action to address concerns. We have a Board Policy (AC) on non-discrimination. We will serve all students and families.

Students in grades 4 - 5 reporting:

- Feeling safe, welcomed, and accepted at school: 90%
- At least one adult at school really cares about them: 88%

EXTRACURRICULAR ACTIVITIES

See our website for activities available to students.

PARENT ENGAGEMENT

100% of parents report they are valued as active participants in their child's education. Parents are their child's first and most important teacher. We encourage you to stay engaged as your student progresses through their K-12 education. You can help by setting high expectations for your child's success.

Here are some ways you can ensure your child's success:

- Attending school is essential to learning
- Volunteer at school, in the classroom or at home
- Make sure to follow your child's academic progress
- Provide a quiet place to read or study
- Ensure your child gets enough sleep
- Encourage your child to try diverse extracurricular activities

COMMUNITY ENGAGEMENT

WE are very fortunate to have strong community support. We collaborate with parents, community members, faith partners, businesses and non-profits to bring additional resources to support students' success. We seek diverse community and staff input. 90% of parents report that the school encourages feedback from parents and the community.
